This child theme is copyrighted to Pretty Web Designs. Please ensure you install the Divi parent theme before installing the child theme.

### **Legal / Licence**

Please note that you are only licensed to use the Blue Child Theme on one commercial website providing that you have purchased the Blue child theme from Pretty Web Design. Pretty Web Design are the copyright owners of this intellectual property and should you use this theme without purchasing a licence from Pretty Web Design, Pretty Web Design will then proceed with legal action against you.

You are not allowed to distribute, sell or share this product by any means other than what is described above. For further enquiries, please email us at [creative@prettywebdesign.biz](mailto:creative@prettywebdesign.biz)

We sincerely hope you enjoy your new theme as much as we have enjoyed creating it for you.

With our best regards,

The Pretty Website Design Team
